LA LUZ QUE HAY EN MI, ES EL BRILLO DEL AMOR DE DIOS...

Lunes 15 Diciembre 2025

"Hay una luz dentro de mí que no se puede ocultar. Nada puede opacarla. Esta Luz supera todos los desafíos que pueda enfrentar.

Esta es la luz de Dios dentro de mí y dentro de todas las personas, que ilumina, anima, sana, trae prosperidad y sustenta la vida.

Cuando rezo, a veces enciendo una vela para recordarme la fuente ilimitada de LUZ Y AMOR--- lo Divino interior.

Este acto significativo es un poderoso recordatorio para cultivar mi vida espiritual, para recordar que debo buscar la LUZ, especialmente en la oscuridad.

Dios es Luz. Vivir según esta sencilla verdad ilumina el mundo.

Dios es Vida. Me siento sanado por la bendición de estas palabras.

Dios es Amor. Mi corazón se regocija al expresar el Amor Divino como solo yo puedo hacerlo.

Ninguna oscuridad puede prevalecer cuando yo y mis hermanos divinos permitimos que nuestras luces radiantes brillen...

Dios es luz, y en él no hay tiniebla alguna.—1 Juan 1:5

THE LIGHT WITHIN ME IS THE SHINE OF GOD'S LOVE...

Monday, December 15, 2025

"There is a light within me that cannot be hidden. Nothing can dim it. This Light surpasses all challenges I may face.

This is the light of God within me and within all people, which illuminates, encourages, heals, brings prosperity, and sustains life.

When I pray, I sometimes light a candle to remind myself of the unlimited source of LIGHT AND LOVE---the Divine within.

This meaningful act is a powerful reminder to cultivate my spiritual life, to remember that I must seek the LIGHT, especially in the darkness.

God is Light. Living according to this simple truth illuminates the world.

God is Life. I feel healed by the blessing of these words.

God is Love. My heart rejoices in expressing Divine Love as only I can do.

No darkness can prevail when I and my divine brothers allow our radiant lights to shine...

God is light, and in him there is no darkness at all.—1 John 1:5

Invictus

by William Ernest Henley 1849 – 1903

- Out of the night that covers me,
- Black as the Pit from pole to pole,
- I thank whatever gods may be
- For my unconquerable soul.
- In the fell clutch of circumstance
- I have not winced nor cried aloud.
- Under the bludgeonings of chance
- My head is bloody, but unbowed.
- Beyond this place of wrath and tears
- Looms but the Horror of the shade,
- And yet the menace of the years
- Finds, and shall find, me unafraid.
- It matters not how strait the gate,
- How charged with punishments the scroll,
- I am the master of my fate:
- I am the captain of my soul.
